

*** Do you live in Morgantown? ***

*** Are you interested in learning about other cultures? ***

*** Do you have a spare room? ***

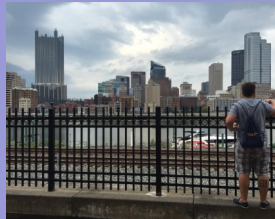

CIP Participants are adult professionals visiting and working in Morgantown from mid-August to mid-November. An important part of their time here is the Host Family experience.

Participants are offered three to four different homes to live in, in order to provide a variety of experiences in American Culture. Each home offers a uniqueness that adds to increased value and appreciation of the U.S. way of life.

Being a CIP Host Family gives you a chance to learn how people from other cultures live, work, and think– all while sharing your home and family traditions.

Don't miss this great opportunity!
